

AP EXAM PACKET 2023

SOUTH POINTE HIGH SCHOOL

MOCK EXAMS

The Final Exam grade for SPHS AP courses will be calculated as follows:

Content Review (students will be scored using the rubric on the following page)	40% of final exam grade
Mock Exam (rubric conversions will be applied)	60% of final exam grade

The Final Exam (comprised of calculations above) will count 20% of the overall grade for the course.

MAY AP EXAMINATIONS

Examinations will take place **May 1st – May 11th** at SPHS. See schedule for times and locations.

Students will be excused from courses that conflict with AP exams in May; however, students **MUST** check with their teachers to obtain assignments, instructions, etc. for work missed due to exams.

Report to the examination site at the designated time. Failure to do so may result in the student's inability to take the examination as scheduled.

**CONTENT REVIEW RUBRIC
(40% of SPHS exam)**

Dimensions	4	3	2	1
<i>Preparation for Class</i>	You bring all materials to class. Your materials are well organized. You are ready to work when the bell rings.	You usually bring all materials to class. You are ready to work when the bell rings.	You frequently "forget" to bring required materials to class. (And/Or) You are often not ready to begin when the bell rings.	You frequently have to ask to borrow materials. You are rarely ready to begin when the bell rings. You "forget" to remove <i>gum</i> or you bring food/ drink to class
<i>Frequency of Participation</i>	You always participate, and attempt longer, more difficult responses.	You often participate during class activities.	You seldom participate in class; you only try the "easy ones."	You do not volunteer to contribute to the class.
<i>Independence</i>	You are always on task during pair and group activities the entire time.	You complete most group and pair activities in allotted time.	You sometimes need to be reminded to stay on task during group or pair activities OR you carelessly rush through activities.	You give minimum effort during pair and group activities and are often off task.
<i>Quality of Participation</i>	You are willing to answer open-ended questions in class discussion. You elaborate on answers beyond a single sentence. You try to communicate more complex ideas and make connections	You consistently respond in single complete sentences. You are willing to elaborate when prompted. You try to communicate your own ideas and make connections	You usually respond with single words or OR you respond so infrequently that it's difficult to judge your abilities.	Your responses are often inappropriate to the situation. OR You refuse to answer questions by shrugging or saying, "I don't know"
<i>Listening</i>	You actively listen when the teacher and fellow students speak. You are consistently able to follow up on topics that arise from the input of other students.	You actively listen when the teacher speaks. You attempt to respond to questions or statements made by other students.	You sometimes listen when the teacher speaks. You often have to check to see what other students are doing. You only grasp main ideas.	You "tune out" the teacher and/or other students. You rely on other students to tell you what to do. You are unable to respond to questions about the work.
<i>Use of ideas in class</i>	You routinely make reference to the standards/concepts/ideas. You initiate discussion with the teacher and classmates using linking questions.	You sometimes make reference to the standards/ concepts/ ideas. You interact with the teacher and classmates during structured activities. You sometimes ask linking questions.	You only reference the standards/ concepts/ ideas in structured class, group and pair activities. You allow others to initiate most discussion points, but you rarely make connections or ask linking questions.	You rarely reference the standards/ concepts/ideas when talking with the teacher and classmates. You speak as little as possible during class, pair and group activities.

Score	% Score		15	78
24	100		14	75
